NEWS FROM THE MARSH:

FIRST DAY PROCEDURES @ MARSHVIEW(JK – GRADE 8 STUDENTS): Monday, April 3rd is the first day in our new school for all of our students. Students can arrive at school no earlier than 9:15 a.m. Beginning at 9:15 a.m., staff will be out on the yard holding Grade signs for students to gather at the appropriate location (i.e. Grade 2 students gather at the Grade 2 sign). Staff will then organize students into their current classes (with their current Educators) and all students will enter the building at 9:30 a.m. to begin their first day in their new building! Students arriving by bus will be directed by staff where to gather. **In an effort to ensure that we keep our yards safe, parents and visitors are not permitted on the school yard – staff will be available to assist and direct students to their appropriate location.**

NEW BUSSING INFORMATION: New bus information was sent out to students on Tuesday, March 21st. For further information, families are encouraged to contact the Transportation Consortium at 705.733.8965 and/or visit their website at <https://main.simcoecountyschoolbus.ca/> - New Bus Routes and Schedules are Effective Monday, April 3rd!

If your child is not taking the bus home, please let your child's classroom teacher know, or else bus students will be placed on busses at the end of the day.

A reminder to bus students and their families – when waiting at bus stops, please remind your child to stay on the sidewalk and do not wait on one of our neighbours' yards – we appreciate your support with this.

Kindergarten students will get new bus tags on Monday, April 3rd prior to dismissal for their bus ride home.

KISS N' RIDE AT MARSHVIEW: Please ensure that if you are using the Kiss N' Ride at our new school, that you follow the instructions of staff. Our staff are directing both vehicle and pedestrian traffic to ensure the safety of all of our students – we ask that you follow directions and are respectful at all times. A map of the Kiss N' Ride has been sent to families. On the Map, the blue arrows indicate which direction you can enter and depart the Kiss N' Ride area for a quick drop off or pick up, before and after school. The red arrows indicate the bus area for drop off and pick up – This will not be accessible to parents before and after school. Please refer to the map for any further information. Thank you for your support.
