MARSHVIEW PUBLIC SCHOOL KISS & RIDE PROCEDURES - APRIL 6th, 2023

Dear Families,

We are pleased to be in our new building and at one location. As we transition and adjust to our new parking lot, we need to share the following important information with you, to ensure everyone's safety.

We currently have seven buses servicing our school. If you are eligible for bussing, we encourage students to access this service.

Families who live within walking distance are encouraged to use active travel, including walking and biking to and from school. Choosing active travel can improve physical and mental health and helps students start the day alert and ready to learn. It also helps to protect the environment and reduce traffic, making school zones safer for everyone.

Parents/guardians who choose to drive their children to school are asked to consider parking a block or two away from the school and walking the rest of the way. Children can also be dropped off by the South gated area of the school in our Kiss & Ride loop. **Families cannot park their cars in the Kiss & Ride loop.** School staff members are present at the Kiss & Ride after 9:15 am to escort children safely into school.

At dismissal, students will be waiting by the gated area for their parent/guardian. Please remember that the Kiss & Ride loop is for quick drop-off and pick-up of students by their parents/guardians. We need to keep one lineup of cars flowing through the loop. If you do not see your child on the first round, you may need to go around the loop multiple times until your child is ready for pick up.

If you choose to park your car in the parking lot, we ask that you cross using the crosswalk at the entrance of the Kiss & Ride loop. Please be careful when pulling into and out of the Kiss & Ride loop as children may be walking or getting out of cars. Your child's safety is our priority!

On the Map, the blue arrows indicate which direction you can enter and depart the Kiss & Ride area for a quick drop off or pick up, before and after school. The red arrows indicate the bus area for drop off and pick up – This will not be accessible to parents before and after school. Cars cannot be parked in the yellow areas. Please refer to the map for any further information.

Thank you for your support!
