MARSHVIEW PUBLIC SCHOOL– STAFFING UPDATE

As we come to the end of the 2022-23 school year, we wanted to take some time to thank some of our staff members who will be leaving us at the end of the month.

We have had several occasional teaching positions that will be ending which include Ms. Rai, Ms. Battaglia, Ms. Quilao, Ms. Almond, Ms. Del Greco, Ms. Dunn and Ms. Petramala. They have been wonderful additions to our staff, and we wish them the best as they move onto future career opportunities.

Our school has also been fortunate to have had Ms. Chaif and Ms. Cascone in occasional Education Assistant positions, as well as Ms. De Sousa in an occasional Designated Early Childhood Educator position, which will conclude at the end of June. We appreciate their efforts to support our students and wish them well in future endeavours.

We have also been lucky to have Ms. Collins, Ms. Stewart and Mrs. Flannery in teaching roles at our school. Next year, Ms. Collins, Ms. Stewart and Mrs. Flannery will be working in new schools within the Simcoe County District School Board. We know that they will serve their new communities and roles well, and will be missed by their MVPS family.

As previously communicated, Mrs. Kassabian and Mrs. Mackenzie have started their maternity leaves and we congratulate them on the new additions to their families.

Finally, we wanted to share with you that Mrs. Moffatt will be retiring from a career in Education that spans many years. Mrs. Moffatt's dedication and commitment to student achievement and well-being has had a positive impact on numerous students over the years, and MVPS has been so fortunate to have had been a part of her journey.

As we wind down the school year, please take some time to thank and say goodbye to these wonderful professionals with whom our students have had the benefit of working.

Thank you,

R. Dashnay
