NEWS FROM THE MARSH:

ARRIVING LATE TO SCHOOL: Our school start time is 9:30 a.m. After the morning bell rings, the gate across from our parking lot will be closed. Students who arrive after 9:30 a.m., will need to come to the front doors to sign in at the office.

MABEL'S LABELS: Our School is starting a "Mabel's Labels" Fundraising campaign. These are professional water-proofed, printed labels of your child's names that can be put on a variety of items (i.e. lunch bag, water bottle, clothing, etc.). It is a great product that will assist you with keeping track of your child's personal belongings! This fundraiser is ongoing for your convenience – just go to https://mabelslabels.ca/en_CA/fundraising/support/ - Search for Marshview Public School and start shopping – 20% of purchases are directed back to our school!

NEW SAFE ARRIVAL NUMBER: With the opening of our new school, comes a change to our Safe Arrival/Attendance program. We now have a dedicated, toll-free, phone number. To report student lates and absences, we ask that you call: 1 888 885 8065

Please continue to leave your child's name, with the spelling of their last name, their teacher's name, and the reason for the absence, and their date of return.

This number, as well as our attendance email, mrvattendance@scdsb.on.ca are available 24 hours.

KISS N' RIDE: Thank you for your support and patience as we continue to adjust our drop off and dismissal procedures at our new school. Following and respecting staff direction is appreciated! For students who are eligible for bussing, we encourage families to access this service. For walking students, we encourage them to take advantage of the Spring weather to walk to school. Further communication about drop off and dismissal procedures has been sent out previously, which has included an updated map. Please review these procedures carefully! Thank you for your support in keeping our students safe! PLEASE DO NOT DROP YOUR CHILD OFF ON SIMCOE ROAD – if you are dropping your child off, please use our Kiss N' Ride or drop them off at a location near to the school so they can walk the remainder of the way – Dropping them off on Simcoe Road is dangerous – By-Law officers have informed us that they are monitoring this. **We would also ask families to be mindful of their speed when driving into our school parking lot!**

BUSSING INFORMATION: For bus delays, families are encouraged to contact the Transportation Consortium at 705.733.8965 and/or visit their website at <https://main.simcoecountyschoolbus.ca/>

If your child is not taking the bus home, it is the parent/guardian's responsibility to let their child's classroom teacher know, or else bus students will be placed on busses at the end of the day.

A reminder to bus students and their families – when waiting at bus stops, please remind your child to stay on the sidewalk and do not wait on one of our neighbours' yards – we appreciate your support with this.
